SUMMARY/ABOUT ME

A passionate self-taught Full-Stack Web Developer skilled in creating modern, responsive, and user-friendly web applications. I learned web development through online resources and real-world practice, combining creativity with clean, efficient code to bring ideas to life.

WORK EXPERIENCE

2020 - 2025

Self Learning | Freelance (2020 - Present)

- Built modern, responsive websites and web apps using the MERN stack.
- Created and shared 130+ projects on GitHub with clean and creative code.
- Turned ideas into real web experiences through design and development.
- Always learning new technologies and improving my skills every day.

PERSONAL PROJECTS

2023 - 2025
